Visit the **Pinnawala Elephant Orphanage** – this orphanage is the home for about 60 elephants, out of which some are baby elephants found abandoned or orphaned in the wild. They are being cared, fed and trained by the wild life authorities. The best time to visit is during the feeding times, when one will have the opportunity of seeing the baby elephants being bottle-fed. Also could accompany the elephants to a river close-by and see them having their daily bath. Lunch at Senani Restaurant.

Proceed for **Kandy** city tour – this was the last capital of the Sri Lankan kings, and is a World Heritage Site. The name Kandy conjures visions of splendour and magnificence. Many of the legends, traditions and folklore are still lovingly kept alive. Drive around the **Kandy Lake** built by the last Sinhala king Sri Wickrama Rajasinghe in 1798.

Visit the Kandy Town and Bazaar, the arts & crafts centre and a gem museum and a lapidary. In the evening visit the **Temple of the Sacred Tooth Relic**; thereafter, witness a **cultural show** featuring traditional Sri

Nuwara Eliya – because of its invigorating mountain climate and scenery, Nuwara Eliya is Sri Lanka's most popular hill resort. It is also the heart of Sri Lanka's **tea plantation**, producing a significant share of the world's best tea. Sri Lanka's highest mountain **Pidurutalagala** (8282 feet) is located here. Yet in some parts, the Old World charms were retained; an example is a 100-year-old clock tower and several British built colonial buildings. Other places of interest are the

Pettah bazaar where one can shop for bargains, the old Parliament in Fort, a Hindu and a Buddhist temple, residential areas where you find the stately homes of the affluent and the **Bandaranaike Memorial International Conference Hall - BMICH**, an outright gift to Sri Lanka from the People's Republic of China.
